The Bangladesh Academy of Family Physicians

WORLD FAMILY DOCTORS DAY 2015

The Bangladesh Academy of Family Physicians has celebrated the World Family Doctors Day 2015. In 1914 we observed the day for the first time in Bangladesh.

This time we have chalked out a new logo for the WFDD, containing monogram of WONCA at centre. Anyone interested may use it for future programmes.

WFDD 2015 Rally: Members of the Academy gathered in the early morning in front of the Academy Office at Hatirpool, Dhaka. There we joined a rally.

Not only the members and doctors joined the rally, rather family members of the doctors and other enthusiastic local people also joined and enjoyed the rally.

At the end of the rally sumptuous breakfast was served amongst the members and participants.

Dr. Hafizur Rahman-President and Dr. Md. Abdul Quayum-Deputy Secretary of the Academy lead the rally.

The Academy organized a discussion on WFDD at 9.00 am. Prof. Ainul Islam Choudhury-Former President presided over the meeting.

Prof. Md. Nurul Islam-Former WONCA Vice President and Dr. Md. Innamin-Academy Treasurer made presentations on the WFDD Day.

Prof. Kanu Bala delivered a lecture on 'Management of Stroke in Family Practice'. Prof. Bala was awarded with a small presentation.

Dr. Hafizur Rahman delivered an introductory speech at the beginning. Dr. G. C. Dhar spoke on 'New in Medicine'.

A good number of Family Physicians joined the programme.

The programme was well organized and well participated

The meeting expressed deep grieve for recent disaster occurred in Nepal. They expressed their solidarity for the people and the country.

The members prayed for the relief of the sufferings of the people of Nepal and prayed for the departed souls.
