

## World Family Doctor Day 2021 - Malaysia: A month of celebration with exciting programs

A warm greeting to all the WONCA seniors, friends, and colleagues.

It gives us great pleasure to share with everyone our World Family Doctor Day (WFDD) 2021 celebration. The celebration was organized by the Academy of Family Physicians of Malaysia (AFPM), Malaysian Family Medicine Specialists Association (FMSA) and The Rajakumar Movement (TRM). Despite our busy work schedule and fight against the COVID-19 pandemic, our team managed to plan and execute all the programs successfully. Our WFDD programs started on 22 April 2021 and the highlight of the celebration was held on 29 May 2021. We organized weekly virtual educational and social programs for the public, healthcare workers and family doctors in. Among the activities were Public Forum (Who is Family Doctors? Family Doctors role in the COVID-19 pandemic and COVID-19 Vaccine), Continuous Professional Development Webinar on non-communicable diseases, Motivational Video sharing, Virtual WFDD Run and others. More details can be found at [www.facebook.com/wfdd.my](https://www.facebook.com/wfdd.my) and [www.wfdd.my](http://www.wfdd.my).

On 29 May 2021, we had our first nationwide virtual celebration. The event was graciously officiated by His Royal Highness, Yang di-Pertuan Besar Negeri Sembilan Darul Khusus, Tuanku Muhriz Ibni Almarhum Tuanku Munawi, Patron of Academy of Family Physicians of Malaysia. Family doctors were inspired and motivated by the great speeches from our AFPM President, FMSA President, Head of Family Medicine Service, and our respected Director General of Health. We had musical performances by our family doctors and sharing of family doctors with subspecialty. It was an enjoyable and memorable get together session. It was a good destressing session as well which was much needed during this difficult time. This celebration has proven the strong unity and togetherness among the family doctors in Malaysia. The message was clear. Together, we will move the mountain. Together, we will build the future.
