Appeal for donations to support young women doctors from developing regions to attend WONCA Prague conference

The World Organization of Family Doctors (WONCA), a major international stakeholder for the college, and its subsidiary the Working Group for Women and Family Medicine (WWPWFM), have approached the RACGP to support women from less advantaged countries within Asia Pacific, MESAR, Africa, and Ibero-America to attend the WONCA conference in Prague in June 2013. Each bursary will be awarded on a competitive basis and will be worth \$1000. The aim of WWPWFM is to offer 8 of these bursaries after witnessing the enthusiasm and commitment of the young women doctors who came to past WONCA conferences and who have continued to work with international colleagues on presentations for Prague, even if they themselves may not be able to attend. WWPWFM is also offering 4-8 bursaries for all women family physicians, from all regions of WONCA and each bursary will be awarded on a competitive basis and will be worth \$250- \$500, for a total of \$2000.

The RACGP is therefore inviting donations from its members to support this worthwhile initiative from our international GP organisation.

Please consider supporting female colleagues from these developing countries by completing the form below and returning to us at FAX 03 8699 0400 or by mail: RACGP, 100 Wellington Parade, East Melbourne VIC 3002.

Please note that donations are not eligible as a tax deductible gift recipient (TDGR), and therefore tax deductible receipts will not be issued.

Donation to support young women doctors from developing regions to attend WONCA Prague conference
