Help improve the quality of health care for older people

WHO would like to hear from older people, unpaid carers, and health and care workers and managers.

Choose the survey that best describes you. Scan the QR code and select your language.

Older people

This survey may be for you if you:

- You are 60 years of age or older; and
- You used a health service during the past 12 months.

Takes about 30 minutes

Unpaid carers

This survey may be for you if you:

- You are 18 years of age or older;
- You provide, or recently provided, unpaid care or support to a person aged 60 or older; and
- The older person used a health service during the past 12 months.

Takes about 30–35 minutes

Health and care workers/managers

This survey may be for you if you:

- You are a health or care worker, or a health programme manager; and
- You provide, manage or organize services for people aged 60 or older.

Takes about 30–35 minutes

Available in multiple languages | **Know someone who may want to take part? Please share this brochure.**

More information can be found at WHO Website: [Share your experience: Help shape quality health care for older people]

An older person or unpaid carer may ask someone they trust for help. Answers should reflect the participant's own views and experiences.
